

6 July 2026

To Whom It May Concern,

This letter confirms that **TechPoint Mobile Solutions Limited**, a corporation incorporated under the Business Corporations Act (Ontario) on 7 May 2026 under Ontario Corporation Number 1001599745, is establishing a neighbourhood technology retail and service store in Mississauga, Ontario.

Our business provides mobile device sales, accessories, prepaid SIM and eSIM activation, and everyday technical support to local Canadian consumers. We are committed to operating a fully compliant Canadian small business that supports local employment, digital access, and community-level economic activity.

Please do not hesitate to contact us should you require any further information regarding our operations, services, or business plans.

Sincerely,

Syed Ijaz Hussain Shah

Founder & Chief Executive Officer
